Alterations

Part Number	H	W	LHC / RHC
HPEDC6	H2000	W1000	LHC50-RHC100

Alterations: **LHC** (Grommet on Left End), **RHC** (Grommet on Right End)

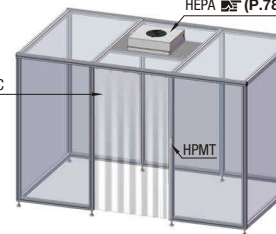

Code: **LHC**, **RHC**

Spec. Adds a grommet on the left end. LHC = 10mm Increment. One set of sliding hooks and one piece of curtain fastener are added.

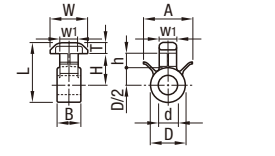

For sliding hook mounting method, refer to P.740

As an inlet of a simplified clean booth or partition of the space, the curtain can be inset in the aluminum extrusion after assembly.
